

Australia Vietnam Volunteers Resource Group Incorporated

Association Objectives

The Objects for which AVVRG is established are:

1. To provide practical aid and assistance to the people of Vietnam in particular within the Province of Baria/Vung Tau but not excluding any other Province within Vietnam.
2. To assist in building, medical, educational, agricultural, aqua-cultural and reconstruction projects throughout Vietnam by all means within the Group's power.
3. To assist/implement educational programmes (including the provision of printed material) within the guidelines as set by the relevant education departments within Vietnam.
4. To implement/provide medical assistance/programmes for the people of Vietnam, including in-country visits by Medical Teams.
5. To foster and improve relations between the people of Australia and Vietnam.
6. To provide aid by way of labour, advice, expertise, planning, materials, money, or whatever other means may be necessary to achieve the above aims.
7. To take all steps necessary to become registered as an Australian non governmental organisation for the furtherance of the above aims.
8. To apply for and obtain grants from charities, aid organisations and so forth and apply those grants to the above aims.
9. To solicit support from the Australian Federal Government Departments (including the Department of Defence) for the provision of transport, logistical support, medical teams, construction teams, and the like to facilitate the above programmes and future programmes to be identified.
